35
YEARS

MORE HISTORY.
MORE BIKE.

ABOUT ALHONGA

We were founded in Taiwan in 1981. Ever since our establishment, we have been pursuing the goal to reach the highest standard to meet the demands for our customers. We specialize in R&D of brake systems and manufacturing and our featuring products are Hydraulic brakes, Fully hydraulic Rim Brake, Mechanical Disc Brake. We also have a wide selection of other products and accessories that are needed for the bike rides.

To reach the standard of ISO 9001 is our everlasting goal and after 33 years of hard work and efforts, we have gained customers throughout the world and now we are also looking for distributors to join us.

We have a group of well- trained and energetic staff who devote themselves wholeheartedly in our production line in order to bring out the best work to satisfy our customers.

We take part in cycle shows and activities like Taipei Cycle Show and Eurobike etc. to learn the needs of our customers and from this kind of participation has enabled us to gain more inspiration to improve ourselves.

As you can see,from the past to now we HAVE BEEN and WILL KEEP upgrading ourselves and continuously provide you the best quality products to suit your needs.

Ride with safety, ride with ALHONGA!
